SEAACA Thanks All Involved!

## Critter Run...a Huge Success

Downey, Calif .... Tallies are in for the Southeast Area Animal Control Authority (SEAACA) Critter Run 2009, and the July 26 event pronounced a huge success! Critter Run is SEAACA's annual fundraiser to benefit its shelter animals and special programs. This year 120 motorcyclists rode a scenic 100-mile poker run that ended with a victory lap around the block party at SEAACA. There riders joined the crowd that grew to 300 attendees enjoying live music provided by Bumptown and Pigeons Band, an appearance by the LA Laker Girls, great food, and meeting the animals (17 of which were adopted into their new forever homes that day!) Best of all, Critter Run raised five thousand dollars for the animals.

The Mid Cities HOG Chapter of LA Harley-Davidson (South Gate) deserves credit and heartfelt appreciation for organizing the ride and selecting SEAACA as recipient of its proceeds. SEAACA also extends thanks to event co-sponsors: Go Country Radio (105 FM), JJ's Auto Service (Downey), Health Technology (Riverside), Minuteman Press (Brea), Arrow Truck Body (Ontario), Cristina's Uniforms (Bellflower), Doughboys (Bellflower), Mr. Pete's Burgers (Downey) and Starbucks (Firestone and Lakewood in Downey).

Photos of the event can be seen at [www.seaaca.org](http://www.seaaca.org).
