ONLINE ANIMAL CRUELTY REPORTING FORM AVAILABLE

Downey, CA...SEAACA animal control officials receive dozens of animal cruelty reports each week. What was typically reported via the telephone is now able to be reported online at www.seaaca.org. “More and more people use the internet for day to day business, and actually prefer this medium over the telephone,” said Dan Morrison, Executive Director at SEAACA.

The online form is easy to navigate. First, go to www.seaaca.org and click on the Report Animal Cruelty link on the left-hand side of the home page. You will then be taken to the form, which is self explanatory and simple to fill out. When submitted, the complaint, which can be anonymous, will immediately go to the Investigations Division staff.

“We hope this makes reporting animal cruelty more readily available, allowing us to help more animals in need,” said Morrison.
